### **Youth Services hosts 9<sup>th</sup> Annual Groundhogs Day Celebration**

Salt Lake City --- Who would've thought Groundhog's Day would fall on Punxsutawney Phil's Favorite day, Friday, February 2<sup>nd</sup>?

This year it did. And to celebrate Salt Lake County Division of Youth Services will be hosting its 9<sup>th</sup> Annual Groundhogs Day Celebration that day, starting at 10:30 a.m. with an appearance by Punxsutawney himself, and hopefully his shadow.

Salt Lake County Animal Services will assist in coaxing Phil out of his hiding place and staff and clients will participate in a Pennsylvania Polka dance contest, followed by refreshments.

For more information, contact Tammy McPherson at 269-7506 or Roger Gissemann at 269-7531.

Note: The groundhog is not live. Pictures or footage of Youth Services clients can not be used.
